

## Acknowledgments

Publications produced by the Clearinghouse are carefully reviewed by both NIDDK scientists and outside experts. Tom Lue, M.D., University of California San Francisco, and Hunter Wessells, M.D., University of Washington, reviewed the current version of this booklet.

Thank you also to the following individuals for facilitating field-testing of the original version of this publication:

Kay Longhi, Research Coordinator  
Harborview Medical Center, Seattle

Kevin McVary, M.D.  
Northwestern University

Hunter Wessells, M.D.  
University of Washington
